

"Praising God with arts and hands and voices™"

Welcome to the Lutheran Church of Mahomet's 2009-2010 Children's Sunday School!

We are looking forward to a fun and exciting year as we learn and praise God together with your children using materials from "Faith Inkubators™".

The Sunday School curriculum we will be using is called "Bible Song™", an Arts-based Children and Family Ministry. Your children will sing, sign, and use art activities to learn stories and verses from the Bible. Bible Song engages the whole body as a learning tool using cartoons, art, scriptures in song (verbatim), and sign language.

Each week's scripture theme will be talked about in caring conversations in smaller, age appropriate groups, and is based on these **5 STEPS**:

1. **Share** your *Highs & Lows* of the week (the best and worst thing that happened)
2. **Read** and highlight the Bible verse of the day in your Bibles
3. **Talk** about how today's verse relates to your *Highs & Lows*
4. **Pray** for your Highs & Lows, for your family and for the world
5. **Bless** one another.

More information about "Faith Inkubators™" and this year's curriculum will be available on the Lutheran Church of Mahomet's Website, www.lcofm.org, and on the Faith Inkubators™ Website, <http://www.faithink.com> (go to "Bible Song"). You will be receiving more information in the coming weeks about songs and games available to your children on the "FaithInk" website that reinforces their Sunday School learning experience.

Heather Chalfant, Director and the Sunday School teachers look forward to spending Sunday mornings with your children and will be happy to answer any questions you may have. (If anyone is interested in joining our team, please let Heather know!)

Sunday School will begin with an Opening at 9:45 A.M.
in the Sanctuary. Children will be ready for pick up in
the Sunday School Classrooms at 10:45 am.
